Need Help Finding Help? Dial 2-1-1

It can be difficult and frustrating to find local social services, sometimes it's hard to know where to start looking, or even what's available. Vancouver/Portland Metro area residents now have an easy-to-remember three-digit phone number to

3 NE Hazel Dell Neighborhood Association

call when searching for community services. Just dial 2-1-1 for information and referrals to health and human services for every day needs and in times of crisis.

2-1-1 is about people talking to people. Callers can explain their situation in their own words and get the help they need on their own terms. Calls are answered by Certified Information and Referral Specialists who will listen non-judgmentally and assess the situation. Using a database that is continually updated with listings for community, faith-based and government programs, the 2-1-1 staff will provide referrals to available services.

2-1-1 can help you find:

- Food Resources
- Health Care
- Public Agencies
- Legal Services
- Employment Services
- Counseling/Support Groups
- Housing Information

People are calling on behalf of themselves, friends and family. Using a tele-interpreter service, information is available in over 150 different languages. Calls are anonymous and confidential and free.

If 2-1-1 doesn't work from your cell phone, please dial: 1-877-501-0252

2-1-1 is available Monday-Friday 8am-8pm.

For those of you working with families that may need this assistance...

Great opportunity for those who have or work with children!

Free eyeglasses for our kids! Read below

If you know someone with young children that may need glasses, please share with those who may benefit.

Ages 12 and under can get a FREE pair of eyeglasses from Target.

Target is doing a special promotion for their optical service. It could end any time but will definitely end no later than April 29th. Children 12 and under can get a free pair of glasses.

They need to bring in a valid prescription for glasses from their doctor and Target will let the child pick from about 40 different frames. They will place their best lenses in the frames which are non-glare and scratch resistant and normally sell for \$200.00. There are no income guidelines. Any child 12 or under is eligible.

You can find stores with optical departments at [LINK: <http://www.target.com/>] www.target.com ; to confirm they are participating before making a trip to their store.

Hazel Dell Alcoholics Anonymous meetings

There are three Alcoholics Anonymous (AA) meetings held at the First Congregational Church, 1220 NE 68th Street. These are:

- Sundays 4:30pm - 5:30pm;
- Mondays 7:30pm - 8:30pm;
- Thursdays 7:30pm - 8:30pm.

There is also a "Wine to Water" AA meeting held every Wednesday @ 6:30 - 7:30 PM, room 5160, at the Kingsway school, adjacent to the Vancouver First Church of God.

We have been assured by these two AA organizations are official, sanctioned AA meetings, in compliance with all AA meeting tenets and that their relationship with the local churches is limited to the renting of the meeting space.

AA is not affiliated with any organization of any kind.

A.A. PREAMBLE© (Service Material from the General Service Office)

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking.

There are no dues or fees for A.A. membership; we are self-supporting through our own contributions. A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

Plastic recycling project

The West Vancouver Materials Recovery Center now has a container set up to receive rigid plastic. This means yogurt containers, margarine, sour cream & cottage cheese tubs, grocery/party food trays, etc.

Please remember that styrofoam trays, plastic containers that have held toxic contents (fertilizer, pesticides, etc.) and personal hygiene items cannot be accepted.

If you don't or can't make a special trip out to the Recovery Center but want to recycle these plastic items, contact Amy Martin 360-513-2568 to find out about our local collection program and to sign up if you are interested.

Support Local Businesses in Hazel Dell

Small and locally owned businesses are the mainstay of our community's economy. The owners of these businesses live and work in our community and have a vested interest in our community's quality of life. Local businesses provide jobs, are a key source of tax revenue to support public services, support our schools, our parks, and are instrumental to the quality of life in our community. They have a vested interest and provide important goods and services to all of us living here in Hazel Dell.

From time-to-time we feature Hazel Dell businesses in our neighborhood newsletter. We want you to know who your local businesses are and what they have to offer. We urge you to do business with them, support them and in so doing support your local community. Everyone benefits from a strong and solid local economy. Your neighborhood association supports local business and we hope you will, too.

For more information about local businesses, contact the Hazel Dell-Salmon Creek Business Association at <http://www.hdscba.org/> or Stockford Village Business Association at 10000

Dozer Day 2009

Dozer Day provides children the opportunity to hop in the driver's seat and actually drive big yellow dozers, dump trucks, and other heavy equipment with a professional operator at their side. Not only is Dozer Day fun for the entire family, it is also a fundraiser benefiting the Parks Foundation and local children's charities through the Nutter Foundation.

Save water on lawn irrigation this summer.

Computer programs are now on the market that can save you lots of water in irrigating your lawn this summer. Prices vary for this product, but expect to pay a few hundred dollars for a program. The thought of a computer program that monitors the local forecast and automatically adjusts your watering schedule based on weather, temperature, humidity, and time of year can really make a difference for your yard. You can get the same results, but with a lot less water thus conserving our resources.

A neighbor who lives in our neighborhood association purchased the computer program from Cyber-Rain last summer. The program cost

around \$350.00. He used it through out the summer... it ended up saving him almost 1800 minutes of watering. He was just in awe when he looked at how many minutes that the lawn sprinklers and planting beds were not watered. Just a small adjustment a day in the program saved a lot of water the whole summer.

If you would like to learn more about this here is the web site... <http://www.cyber-rain.com/>.

No 4th of July event or fireworks at Fort Vancouver in 2009

Vancouver National Historic Reserve Trust is reminding people that the 4th of July fireworks event at Fort Vancouver has been cancelled for 2009. Many factors led to the decision, but the bottom line is that the production expenses had grown to nearly half a million dollars. That expense could not be sustained.

For the first time in 47 years, Fort Vancouver will not have a July 4th fireworks celebration. Vancouver National Historic Reserve Trust, the non-profit organization that produces the event, will resume a new event in 2010. Beginning next year, the Trust is planning an all new "Independence Day at Fort Vancouver" event which will be smaller in scale and will include more historical connections, more hands-on history and feature more family friendly activities. A fireworks show will be a part of the new event.

Although the fireworks show and all-day 4th of July celebration is cancelled this year, Fort Vancouver, the Visitor

Center and the Fort Vancouver Bookstore will be open on July 4 from 9 a.m. to 5 p.m. Visitors are encouraged to tour the fort and to bring a picnic lunch. No personal fireworks, barbeques or pets will be allowed on the site on July 4.

As details of the 2010 Independence Day at Fort Vancouver are determined, they will be available on the Trust's new Web site, www.fortvan.org or by calling the Trust office at 360-992-1800.

The five R's: Reduce, Re-use, Recycle, Refuse and Rot!

Want to help make this sign beautiful again?

Heidi Palena and Yvette Golemo have been working on a new project to get the State of Washington welcome sign planted for the year. Several people have expressed an interest in helping to plant up the sign, so a date has been set for May 17th to plant the State of Washington welcome sign! The state has very limited budgets for the year and much of this undertaking has been on a volunteer basis and your help is

much needed and appreciated. It's times like these that demand that we come together as a community and make the world a better place--in this case--one plant at a time.

Here are the details. We have roughly 1750 plants to install. We are planning on Sunday May 17 starting at 8:00am unloading the delivery truck full of plants. We are hoping to get enough volunteers to finish planting by the early afternoon. Please bring planting shovels if you have one. WASDOT prepped the area for us and there is a weed mat out so a small sharp pointed shovel will work best.

Depending on the number of volunteers who are able to make it, I am also hoping to give the "Washington" concrete sign a good scrubbing. I'll bring a few scrub brushes as well...if this sounds like good clean fun to you, bring a brush! WASDOT will provide trash bags so we can get the place sparkling clean if we have an excess of volunteers and energy.

Safety is important, so we are encouraging each individual to watch a short safety DVD for traffic safety since we are working by the side of the freeway. You will each have a form to fill out for WASDOT as well in case of any injury. The forms will be available at the site on the day of planting. We will also have a laptop computer with the DVD running so you will be well prepared to be working in this potentially dangerous location.

To RSVP and/or if you need more information regarding this project, please email Yvette Golemo at ygolemo@hotmail.com.

Thank you!

Carbon monoxide tips

Carbon monoxide is an invisible, odorless and tasteless by-product of the incomplete combustion of gas, oil,

wood, coal, and other fuels. According to the Centers for Disease Control and Prevention, CO poisoning claims more than 500 lives and sends another 15,000 people to hospital emergency rooms for treatment each year in the United States. In fact, more people die each year through unintentional CO exposure than from any other single poison, reports the Journal of the American Medical Association.

The following safety tips will help you avoid CO and other dangers associated with power outages and changes in seasonal temperatures:

*Never run a generator indoors or in a poorly ventilated area such as a garage or porch, and use the appropriate-size power cords to carry the electric load.

*Install a minimum of one battery-operated CO alarm (or AC-powered alarm with battery backup) outside each sleeping area, and for maximum protection install at least one CO alarm on each level of the home.

- Ensure that CO alarms have working batteries installed.

- Never burn charcoal or other outdoor cooking appliances indoors or in the garage.

- Inspect and clean any soot and debris, such as bird nests and paper, out of the chimneys, flues and stacks.

Carbon monoxide is difficult to detect without the help of CO alarms. Outward physical symptoms of CO poisoning include headaches, dizziness, weakness, nausea, vomiting, chest pain and confusion. The Consumer Product Safety Commission (CPSC) recommends installing at least one UL-listed CO alarm with an audible warning signal near sleeping areas. UL-listed, battery operated CO alarms are available in most major retail and home-improvement stores.

Neighborhood Association Mission:

The residents of the Hazel Dell area established the NE Hazel Dell Neighborhood Association (NEHDNA) in order to unite the common interests and promote the welfare of the area. The association is involved with a variety of matters, which affect the livability of the neighborhood and community in general.

All residents within the neighborhood association boundaries or neighboring areas not within an existing neighborhood association are

welcome to attend and participate in the association.

If you have any questions or would like more information, please contact one of the officers or board members listed on this page. The NEHDNA does not subscribe to any religious affiliation or political party. Our desire is to work together for the

common good of the neighborhood in which we all live. You don't have to live in the area to be a member or to come to the meetings! All are welcome.
